MoorMan’s® ShowTec® Show Pig Formula CTC Medicated

A Complete Feed for Growing/Finishing Pigs Being Fed for Exhibition

Product Positioning
ShowTec Show Pig Formula CTC is a pelleted, complete feed designed for today’s growing/finishing show pigs being fed for exhibition. It is formulated to be fed to show pigs weighing 50 lb to show weight.

Features
- Provides multiple protein sources plus synthetic amino acids
- Select ingredients
- Research proven ingredients
- Ideal amino acid balanced
- Essential vitamins and minerals
- Higher levels of pantothenic acid

Benefits
- Enhanced performance and feed conversion.
- Assures consistency; eliminates feed variance.
- Proven performance.
- Optimum lean gain.
- Shown to increase carcass lean and decrease carcass backfat probably by redirecting energy away from body fat accretion toward more favorable biological process of protein accretion.
- An ADM proprietary feed ingredient, which is a source of yeast mannans and beta glucans that may alter gut microflora, resulting in enhanced performance.
- ADM research has shown positive effects on performance, resulting from beneficial changes of gut microflora.
- Entices pigs to consume feed, leading to higher feed intake, resulting in faster gains.
- Reduces incidence of jowl abscesses.
- Encourages feed consumption for faster gain and more efficient feeding.

Guaranteed Analysis
- Crude Protein, min. ............... 18.0%
- Lysine, min. ..................... 1.0%
- Crude Fat, min. .................... 2.5%
- Crude Fiber, max. ................. 3.5%
- Calcium (Ca), min./max. ........ 0.7-1.2%
- Phosphorus (P), min. ............. 0.6%
- Salt (NaCl), min./max. .......... 0.2-0.7%
- Selenium (Se), min. ............... 0.3 ppm
- Zinc (Zn), min. .................... 100 ppm

Ingredients
- Ground Corn, Soybean Meal, Dehulled Soybean Meal, Lignin Sulfonate, Monocalcium Phosphate, Dicalcium Phosphate, Fish Meal, Calcium Carbonate, Salt, Meat and Bone Meal, Dried Whey, Sodium Propionate (A Preservative), Blood Meal, Natural and Artificial Flavors, Extracted Citric Acid Presscake, Wheat Dextrin, Yeast Culture (Saccharomyces cerevisiae), Diatomaceous Earth, Copper Sulfate, Choline Chloride, L-Lysine, Zinc Oxide, Ferrous Sulfate, Defluorinated Phosphate, DL-Methionine, Mineral Oil, Corn Distillers Dried Grains with Solubles, Manganese Sulfate, Zinc Sulfate, Vitamin E Supplement, Niacin Supplement, Calcium Pantothenate, Magnesium Oxide, Menadione Dimethylpyrimidinol Bisulfite, Riboflavin Supplement, Vitamin A Supplement, Vitamin B12 Supplement, Calcium Iodate, Vitamin D3 Supplement, Sodium Selenite.

Reducing the incidence of cervical lymphadenitis (jowl abscesses) caused by Group E Streptococci susceptible to chlortetracycline.

Active Drug Ingredient
Chlortetracycline ...................... 100 grams/ton (50 mg/lb)

Feeding Instructions
MoorMan’s ShowTec Show Pig Formula CTC is a complete feed specifically formulated for pigs fed for exhibition. It should be fed continuously as the sole medication to pigs weighing not less than 50 lb body weight. Specific feeding instructions may vary according to the goals of the feeding program for show pigs. Generally, pigs can be fed ad libitum, or feed may be restricted to achieve desired growth rates.
