MoorMan’s® ShowTec®
Best of the Best Show Pig Formula CTC Medicated
A Complete Feed for Growing/Finishing Pigs Being Fed for Exhibition

Product Positioning
ShowTec Best of the Best Show Pig Formula CTC is a pelleted, complete feed designed for show pigs that are genetically bred as a softer or fatter-type show pig that needs the jowl and top line to be more defined.

Features
- Provides multiple protein sources plus synthetic amino acids
- Chromium picolinate and spray-dried egg
- Choline
- Select ingredients
- Research proven ingredients
- Ideal amino acid balanced
- Essential vitamins and minerals
- Higher levels of pantothenic acid

Benefits
- Enhanced performance and feed conversion.
- Lean muscle gain.
- Contributes to lean gain and muscle expression.
- Assures consistency; eliminates feed variance.
- Proven performance.
- Optimum lean gain.
- Optimum health and structural growth.
- Shown to increase carcass lean and decrease carcass backfat probably by redirecting energy away from body fat accretion toward more favorable biological process of protein accretion.
- An ADM proprietary feed ingredient, which is a source of yeast mannans and beta glucans that may alter gut microflora, resulting in enhanced performance.
- ADM research has shown positive effects on performance, resulting from beneficial changes of gut microflora.
- Entices pigs to consume feed, leading to higher feed intake, resulting in faster gains.
- Reduces incidence of jowl abscesses.
- Encourages feed consumption for faster gain and more efficient feeding.

Product Form: Pellet form, 50 lb bag.

Ingredients
- Ground Corn, Soybean Meal, Porcine Meat and Bone Meal, Lignin Sulfonate, Animal Fat preserved with BHA, BHT- Sodium Propionate (Preservatives), Fish Meal, Egg Product, Dehulled Soybean Meal, Monocalcium Phosphate, Dicalcium Phosphate, Calcium Carbonate, Dried Whey, Salt, Blood Meal, Natural and Artificial Flavors, Extracted Citric Acid Presscake, Wheat Dextrin, Yeast Culture (Saccharomyces cerevisiae), Diatomaceous Earth, Zinc Oxide, Copper Sulfate, Choline Chloride, L-Lysine, Ferrous Sulfate, Defluorinated Phosphate, Chromium Picolinate, DL-Methionine, Mineral Oil, Corn Distillers Dried Grains with Solubles, Manganese Sulfate, Zinc Sulfate, Vitamin E Supplement, Niacin Supplement, Calcium Pantothenate, Magnesium Oxide, Menadione Dimethylpyrimidinol Bisulfite, Riboflavin Supplement, Vitamin A Supplement, Vitamin B12 Supplement, Calcium Iodate, Vitamin D3 Supplement, Sodium Selenite.
Reducing the incidence of cervical lymphadenitis (jowl abscesses) caused by Group E Streptococci susceptible to chlortetracycline.

**Active Drug Ingredient**
Chlortetracycline ............................... 100 grams/ton (50 mg/lb)

**Feeding Instructions**
MoorMan’s ShowTec Best of the Best Show Pig Formula CTC is a complete feed specifically formulated for pigs fed for exhibition. It should be fed continuously as the sole medication to pigs weighing not less than 50 lb body weight. Specific feeding instructions may vary according to the goals of the feeding program for show pigs. Generally, pigs can be fed ad libitum, or feed may be restricted to achieve desired growth rates.
